**Item 10: APPLICATION OF TARIFF AND BILL OF LADING**

The provisions of this Tariff, as amended, shall apply to services provided by Carrier in interstate, intrastate and/or foreign commerce between points in North America, except that the provisions of this Tariff shall not apply to any services or transportation provided in Mexico. The provisions of this Tariff may be waived in a written agreement signed by Carrier and a Customer. For purposes of this Tariff, the term "Customer" shall mean any entity responsible for requesting that Carrier provide services governed by this Tariff, any entity responsible for payment to Carrier for such services, or any entity receiving the benefit of such services.

Unless expressly disclaimed by a written agreement signed by Carrier and Customer, this Tariff shall apply to all services provided by Carrier that are otherwise within the scope of this Tariff (including services performed pursuant to a short form rate confirmation or "spot" move agreement which such agreement does not specifically disclaim the provisions of this Tariff) and the terms and conditions of Carrier's standard bill of lading shall apply notwithstanding the use of any other bill of lading or shipping document. If there is a conflict between the terms and conditions of this Tariff and the terms and conditions on any air bill, manifest, label, bill of lading, or other transit documentation, the terms and conditions of this Tariff, as amended, modified, changed, or supplemented, will control.

**Item 20: MILEAGE**

Our rates are quoted on a per trip \_\_\_\_\_ basis. IF a customer wishes a mileage quote, please contact Pete Sandman at the CTM phone number shown herein. \_\_\_\_\_

**Item 30: NOTICE AND AMENDMENTS**

Upon written request, Carrier will provide a Customer with copies of all applicable rules circulars and rates.

When this Tariff is amended by revised pages, the cancellation of prior pages will be effected by means of this item. A revised page will not show a cancellation notice for the prior version. A revised page takes effect at 12:01 A.M. Eastern time as of the Effective Date shown thereon, and cancels any and all uncanceled revised or original pages, or uncanceled portions thereof.

**Item 100: RATES AND SCHEDULES**

Rates and schedules may be published in rate catalogues or sheets, on a shipper specific basis or pursuant to a spot market rate quotation. Rates and service quotations are good faith estimates based upon information provided to Carrier, but final rates and service may vary based upon the shipment actually tendered, unknown circumstances, incorrect or incomplete information, and subsequent inclusion of the terms and conditions of this Tariff. In general, our rates are quoted on a per trip basis.

**Item 110: PAYMENT**

Absent a written waiver by Carrier or contractual specification to the contrary, all freight transportation and related charges are due and payable within fifteen (15) days of delivery of shipment, or in the event of a cancelled move, within fifteen (15) days of the date of the scheduled delivery.

**Item 120: DELINQUENT ACCOUNTS**

Payments received more than 30 days after the date of Carrier’s bill will be assessed a late payment fee equal to 1.5% of the total freight bill for each 30-day period or portion thereof, from the date of the Carrier’s freight bill until the date the payment is received, in addition to all other charges. In any action to recover unpaid freight bills from delinquent accounts, carrier shall be entitled to interest, reimbursement for reasonable attorney’s fees, court costs and any related fees associated with the collection or attempted collection of past due bills.

**Item 130: ADDITIONAL COSTS**

Whenever Carrier incurs costs due to Customer requirements, the customer shall be invoiced at **100** % of any and all fees, charges, repairs, replacements and/or general expenses associated with those incurred costs.

**Item 140: LIEN RIGHTS**

Carrier shall have a possessory lien on shipments and any proceeds therefrom in its dominion and control for the payment of any amounts due and owing to carrier. In addition, to the extent permitted by applicable law, Carrier will have a general lien on any goods that have come or will come into its possession, and on any proceeds thereof, for any and all charges due and owing to carrier regardless of whether those charges related to the goods or proceeds against which the general lien is enforced.

**Item 200: APPLICATION OF ACCESSORIAL CHARGES**

In addition to line haul or base transportation rates, unless otherwise agreed in writing, the accessorial charges and fees set forth herein or otherwise agreed upon by Carrier and Customer shall govern.

**Item 210: LOADING AND UNLOADING**

The shipper or receiver shall be responsible for loading or unloading except for necessary flatbed load securement and tarping which is the responsibility of the carrier under FMCSA rules. For dump truck service, the shipper is responsible for loading and the carrier, discharging the dump box. For dryvan service, the shipper is responsible for loading and the receiver, for unloading.

Rates in this Tariff contemplate loading of cargo by the consignor and unloading by the consignee, except that if the Customer, consignor or consignee requests that Carrier furnish outside labor to load or unload, and the carrier agrees to provide, all charges for such outside labor will be passed through to Customer, who will be billed of actual time of outside labor. If the driver or any other Carrier personnel is requested to assist with loading and/or unloading, a charge of \$ **45** per hour, or fraction thereof, will be assessed in addition to all other applicable charges.

**Item 220: DETENTION**

- a) When Carrier's vehicles are delayed or detained at premises of consignor or consignee, or other places designated by consignor or consignee for loading or unloading, the following charges will be assessed which will be in addition to all other lawful transportation charges. We allow 15 minutes free time for loading, and 15 minutes free time for unloading..

Type of Equipment	Total “Free Time” Allowance for Loading and Unloading	Charge per each 15 minutes or fraction thereof in excess of “Free Time”
-------------------	---	---

Trailer Only	15 Minutes	\$1.10 per Minute
Trailer With Power	15 Minutes	\$1.10 per Minute

- b) Time per vehicle shall begin upon notification by driver to the consignor or consignee that the vehicle is available for loading or unloading, and end upon completion of loading or unloading and receipt by driver of a signed bill of lading or delivery receipt.
- c) When shipments are stopped for either partial loading or partial unloading service, or both, one hour free time for each stop will be added to the total "Free Time" allowed.

**Item 230: FUEL SURCHARGE**

Absent Carrier's written waiver, a fuel surcharge shall be applied. The calculated fuel cost is determined using the U.S. Department of Energy's Energy Information Administration U.S. National Average On-Highway diesel fuel price published each week. Our surcharge tariff is an Addendum to this Tariff.

Adjustments, if any, in surcharges will be made effective for shipments picked up the calendar day following the calendar day of publication of each week's price. The surcharge shall be applied and utilize the criteria established herein regardless of whether shipments are entirely within the U.S., involve the U.S. and Canada, or entirely within Canada. Fuel surcharges will be applied to any/all mileage related charges, and should prices rise to **\$3.92**/gallon or above, Carrier reserves the right to implement an extended surcharge. Fuel Surcharges will be based upon the attached FUEL SURCHARGE RULES TARIFF.

**Item 240: SPECIAL PERMITS OR FEES**

Any fees paid to any Federal, State or Municipal Government or Canadian Authority, or any subdivision thereof for special permits as may be required in connection with such movement will be added at a cost plus **10 %** of such cost.

**Item 250: TOLLS**

In concert with mileage calculations, a companion tolls calculation software will be used to determine toll charges. Our per trip quotes generally include any Toll Charges, For unusual or heavily tolled required routing, toll charges may be assessed in addition to any and all other lawful transportation and related charges.

**Item 270: VEHICLE FURNISHED BUT NOT USED**

When an order is canceled after a vehicle has already been dispatched with pickup orders, fees will be charged at the applicable one-way rate based on the type of equipment ordered for all miles from the point of dispatch to point of pickup times the applicable rate per mile, and subject to a minimum charge of **\$ 150.00**.

**Item 300: CARRIER LIABILITY AND RELEASED VALUE**

- a) Carrier's liability for loss, damage, destruction or delay to cargo transported shall be that of a motor carrier as set forth in the Carmack Amendment currently codified at 49 U.S.C. § 14706 (Carmack), as amended from time to time, regardless of whether transport is interstate or intrastate, or involves foreign commerce. Unless a higher value is declared by Customer in accordance with the provisions herein and the additional freight charges applicable to such declaration have been paid, Carrier's liability for loss, damage, or delay as to any shipment shall not exceed \$50,000 per trailer or conveyance.
- b) Declaring values in excess of \$50,000.
  - i. Carrier must be notified at the time it agrees to transport cargo that a value in excess of \$50,000 (but in any event, not exceeding **\$ 100,000**) will be declared, and the amount that will be declared. The released value shall be valid (meaning Carrier's \$50,000 limitation of liability shall apply) unless Carrier has agreed in writing signed by an authorized representative to accept the cargo at the declared value. In order request such additional liability, the Customer must contact Carrier at **(763) 571 - 9508** and make such request. If Carrier agrees to accept the additional liability, Carrier will provide a signed rate confirmation sheet acknowledging Carrier's acceptance of increased liability and reflecting additional charges as set forth below. Carrier's driver is not an authorized representative of Carrier for purposes of this provision, meaning that declaration of value on the bill of lading at the time of tender, without complying with the remaining provisions of this Item, is an insufficient method of declaring value.
  - ii. The declared value must be clearly stated as such on the face of the bill of lading.
  - iii. A charge of equal to the cost of additional insurance required per the trip per \$100 of declared value in excess of \$50,000, in addition to all other charges, shall be assessed.

- iv. Declared values in excess of \$ 100,000 shall not be accepted, and in the event Customer attempts to declare a value in excess of \$ 100,000 per trailer or conveyance, Carrier's liability shall continue to be limited to \$50,000 per trailer or conveyance.
- c) In no event shall Carrier's liability exceed the lesser of the actual value of the cargo or the declared value
- d) Regardless of commodity shipped or valuation, all transportation charges must be paid in full before any settlement for a claim for loss or damage will be made. No payor or other party with an interest in a shipment may deduct or offset any cargo loss, damage, or delay claims from any freight charges owed to Carrier. Carrier reserves the right, at its sole discretion, to either credit an account or provide an actual refund for any sums determined to be owed by Carrier.
- e) The valuation as determined by the provisions of this item shall be the maximum liability in connection with a shipment of the specific cargo, including, but not limited to, any loss, damage, delay, misdelivery, non-delivery, misinformation, any failure to provide information, or misdelivery of information relating to the shipment. It is the shipper's responsibility to prove actual damages. Exposure to and risk of any loss in excess of the released value provisions or declared value provisions as provided for in this item is assumed by the shipper.

**Item 310: FILING OF CARGO CLAIMS**

- a) Claims in writing required. Claims for loss, damage, injury, or delay to cargo must be filed in writing, as provided in subparagraph (b) below, and as otherwise may be required by law, the terms of the bill of lading.
- b) Minimum filing requirements. A communication in writing from a claimant for loss or damage must be filed within nine (9) months after the delivery of the property except that claims for failure to make delivery (or portion thereof) must be filed within nine (9) months from the date delivery should have been made: (1) containing facts sufficient to identify the shipment (or shipments) or property involved, (2) asserting liability for alleged loss, damage, injury, or delay, and (3) making claim for the payment of a specified or determinable amount of money, will be considered as sufficient compliance with the provisions for filing claims embraced in the bill of lading or other contract of carriage.
- c) Documents not constituting claims. Notations of shortage or damage, or both, on freight bill, delivery receipts, or other documents will not be considered by Carrier as sufficient to comply with the minimum claim filing requirements specified in subparagraph (b) above.
- d) Claims filed for uncertain amounts. Whenever a claim is presented against Carrier for an uncertain amount, such as "\$100 more or less," Carrier will determine the condition of the shipment involved at the time of delivery by it, if it was delivered, and will ascertain as nearly as possible the extent, if any, of the loss or damage for which it may be responsible. It will not, however, voluntarily pay a claim under such circumstances unless and until a formal notification in writing for a specified or determinable amount of money will have been filed in accordance with the provisions of subparagraph (b) above.
- e) Concealed damage claims. When damage to contents of a shipping container is discovered by the consignee which could not have been determined at the time of delivery, it must be reported by the consignee to Carrier upon discovery and a request for inspection by Carrier's representative made by consignee. Notice of loss or damage and request for inspection may be given by telephone or in person, but in either event must be confirmed in writing by mail or overnight courier.

If more than fifteen (15) days pass between date of delivery of shipment by Carrier and the date of report of loss or damage and subsequent request for inspection by consignee, it shall be the obligation of the consignee to offer reasonable evidence to the carrier's representative when inspection is made that loss or damage was not

incurred by the consignee after delivery of shipment by carrier. While awaiting inspection by Carrier, the consignee must hold the shipping container and its contents in the same condition they were in when damage was discovered insofar as it is possible to do so.

- f) Institution of Suits. Suit for loss, damage, injury or delay shall be instituted against Carrier no later than two years and one day from the day when written notice is given by the Carrier to the claimant that Carrier has disallowed all or any part of the claim specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, Carrier shall not be liable, and such claims will not be paid.

### **Item 320: INVESTIGATIONS OF CARGO CLAIMS**

Each claim for loss or damage to cargo filed against Carrier in the manner prescribed herein will be promptly and thoroughly investigated.

Carrier reserves the right to require any and all other documentation it deems necessary, in its sole discretion, to investigate any claim. Regardless of the foregoing, each claim will be supported by the original bill of lading, evidence of the freight charges, if any, and either the original invoice, a copy of the original invoice, or an extract made therefrom, certified by the claimant to be true and correct.

For shipments or any part thereof which are not delivered, Carrier reserves the right to require certification from the claimant that the missing cargo has not been received from any other source.

### **Item 330: ACKNOWLEDGMENT OF CLAIMS**

Carrier will, upon receipt in writing of a proper claim in the manner and required, acknowledge the receipt of such claim in writing to the claimant within 30 days after the date of its receipt by Carrier unless Carrier will have paid or declined such claim in writing within 30 days of the receipt thereof. Carrier will indicate in its acknowledgment to the claimant what, if any, additional documentary evidence or other pertinent information may be required by it to further process the claim as its preliminary examination of the claim as filed, may have revealed.

### **Item 350: PROCESSING OF SALVAGE**

Whenever baggage or material, goods, or other property transported by Carrier is damaged or alleged to be damaged and is, as a consequence thereof, not delivered or is rejected or refused upon tender thereof to the owner, consignee, or person entitled to receive such property, Carrier, after giving due notice whenever practicable to do so to the owner and other parties that may have an interest therein, and unless advised to the contrary after giving such notice, will undertake to sell or dispose of such property or by the employment of a competent salvage agent. Carrier will only dispose of the property in a manner that will fairly and equally protect the best interests of all persons having an interest therein. Carrier will make an itemized record sufficient to identify the property involved so as to be able to correlate it to the shipment or transportation involved and claim, if any, filed thereon. Carrier also will assign to each lot of such property a successive lot number and note that lot number on its record of shipment and claim, if any claim is filed thereon.

Whenever disposition of salvage material or goods will be made directly to an agent or employees of Carrier or through a salvage agent or company in which Carrier or one or more of its directors, officers, or managers has any interest, financial or otherwise, Carrier's salvage records will fully reflect the particulars of each transaction or relationship, or both as the case may be.

Upon receipt of a claim on a shipment on which salvage has been processed in the manner hereinbefore prescribed, Carrier will record on its claim file thereon the lot number assigned, the amount of money recovered, if any, from the disposition of such property, and the date of transmittal of such money to the person or persons lawfully entitled to receive the same.

If Carrier does not receive disposition instructions within forty-eight (48) hours of sending its initial notice, Carrier may, in its sole discretion, attempt to issue a second and final confirmed notification. Such second notice shall advise that if carrier does not receive disposition instructions within ten (10) days of that notification, Carrier may offer the shipments for sale at a public auction and Carrier has the right to offer the shipment for sale. If Carrier determines in its sole discretion that the potential for recovery will be prejudiced by such second notice period (e.g., where the goods to be salvaged are perishable), Carrier may shorten the second notice period or forego the second notice altogether. The amount of sale will be applied to the costs of the sale and Carrier's invoice for transportation and other lawful charges. The owner will be responsible for the balance of the charges not covered by the sale of goods. If there is a balance remaining after all charges and expenses are paid, such balance will be paid to the owner of the property sold hereunder, upon written claim and proof of ownership.

#### **Item 400: CLAIMS FOR OVERCHARGE, UNDERCHARGE OR DUPLICATE PAYMENT**

- a) "Overcharge" means an overcharge as defined in Section 49 U.S.C. § 14704(b). It also includes duplicate payments and unidentified payments as hereinafter defined when a dispute exists between the parties concerning such charges.
- b) "Duplicate payment" means two or more payments for transporting the same shipment. Where one or more payment is not in the exact amount of the applicable rates and charges, refunds shall be made on the basis of the excess amount over the applicable rates and charges.
- c) "Unidentified payment" means a payment which a carrier has received but which the carrier is unable to match with its open accounts receivable or otherwise identify as being due for the performance of transportation services.
- d) "Claimant" means any shipper or receiver, or its authorized agent, filing a request with a carrier for the refund of an overcharge or duplicate payment.
- e) "Undercharge" means charges for transportation services which are less than those applicable thereto.

#### **Item 410: FILING, DOCUMENTING, AND PROCESSING CLAIMS**

Claims for overcharge or duplicate payment shall be accompanied by sufficient information to allow Carrier to conduct an investigation and pay or decline the claim within 180 days of the date of the invoice. Claims shall include the name of the claimant, its file number and the amount of the refund sought to be recovered and shall be accompanied by the original freight bill along with all other documents or data in the possession of the claimant which substantiates the basis for the claim. Claims for duplicate payment shall be accompanied by the original freight bill(s) for which charges were paid and by applicable payment information.

If Carrier invoices the shipper, receiver or its authorized agent for charges for transportation services which are less than those applicable to such services, Carrier shall file an undercharge claim within 180 days of the date of the original invoice to the party responsible for payment of the freight charges. Carrier shall provide the amount of the undercharge sought to be recovered and such claim shall be accompanied by a copy of the original freight bill and a corrected freight bill along with all other documents or data substantiating Carrier's claim.

---

**Item 420: DISPOSITION OF UNIDENTIFIED PAYMENTS, OVERCHARGES OR  
DUPLICATE PAYMENTS NOT SUPPORTED BY CLAIMS**

If Carrier is not provided sufficient information with which to properly apply a payment, Carrier shall notify the payor of the unidentified payment within 60 days of receipt of the payment and request information which will enable it to identify the payment. If Carrier does not receive the information requested within 90 days from the date of the notice, Carrier may treat the unidentified payment as a payment of freight charges owing to it. Following the 90-day period, the regular claims procedure shall be applicable.

**Item 500: LIABILITIES NOT ASSUMED**

CARRIER SHALL NOT BE LIABLE, REGARDLESS OF THE ACTUAL OR ALLEGED NEGLIGENCE OR OTHER WRONGFUL CONDUCT OF CARRIER, ITS EMPLOYEES, CONTRACTORS, OR UTILIZED INDIVIDUALS OR BUSINESS ENTITIES, FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS OR INCOME, REGARDLESS OF WHETHER CARRIER HAD KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED.

**Item 510: COD SHIPMENTS**

Unless otherwise agreed to prior to tendering of freight and at time a quotation for services is issued, , Collect-On-Delivery (COD) shipments will not be accepted by Carrier. If, on an individual shipment basis, we agree to COD shipments, the following will apply:

- a) Notification of a COD shipment must be given at time order is telephoned in or otherwise first communicated to carrier. Carrier assumes no liability for the form of tender accepted.
- b) The following, with the words "Collect on Delivery" must appear prominently and legibly on the bill of lading:

COLLECT ON DELIVERY \$ \_\_\_\_\_ and remit to:  
Name: \_\_\_\_\_  
Address: \_\_\_\_\_

- c) Only one COD amount may be shown and may not be subject to change dependent upon time or condition of payment.
- d) The charge for collecting and remitting the amount of each COD bill will be 1.5% of the COD amount, subject to a minimum charge of \$25.00 per shipment.
- e) Carrier's responsibility for C.O.D. payment is limited to the exercise of reasonable care and diligence in forwarding the check or money order to the consignor, or to such other party as may be designated by the consignor as the payee, within 15 business days after receipt by Carrier.
- f) Carrier assumes no liability whatsoever for COD payments that default, without exception or limitation, for any reason whatsoever, including but not limited to those that default due to a lack of funds, credit exceeding established limits, erroneous, forged, counterfeit, stolen or fraudulent checks, drafts, currency, credit card or voucher.

**Item 520: FORCE MAJEURE EVENTS**

Carrier shall not be liable for any failure to perform, including failure to timely perform, services under this tariff where such failure is wholly or partially due to an Act of God, War, Fire, Weather, Explosion, Riot, Civil

Commotion, Act of Terrorism, Restriction by Government or other Authority, Strikes, Lock Outs, Failure of Suppliers, or to any cause whatsoever which is beyond the direct and exclusive ability of Carrier to control, or which could not be reasonably anticipated by Carrier.

**Item 530: APPOINTMENTS**

Carrier is not bound to transport a shipment by a particular appointment schedule, or in time for a particular market, but is responsible to transport a shipment with reasonable dispatch. Carrier will not be liable for late deliveries or unkept appointments unless such late delivery or unkept appointment is beyond Carrier's duty of reasonable dispatch. In no event shall a time quotation be considered a guarantee of delivery time.

**Item 540: IMPRACTICABLE OPERATIONS**

Nothing in this tariff shall be construed as making it binding upon Carrier to accept freight from or make delivery to locations to which it is impracticable to operate vehicles, inclusive of performing pickup or delivery services, because of conditions of alleys or streets, because of riots or strikes, conditions typically referred to as Acts of God or Force Majeure events, inclusive of Force Majeure events as defined in that item of this Tariff, local, state, or federal regulations restricting or prohibiting certain vehicle types, commodities, services, or if perceived to constitute a risk to environment, vehicle, cargo, vehicle operators, the general public, or pose a security risk. Further, at its sole discretion, Carrier reserves the right to refuse or reject requests for service, or to return accepted shipments, if it is known or perceived that any of the foregoing may exist or occur. Any applicable service guarantees are rendered null and void in the event any of the foregoing are experienced.

**Item 550: LIMITATION OF SIZE AND WEIGHT**

The obligation to accept articles for shipment shall be subject to capacity, type of vehicle, facilities, equipment, and to requirements of laws or ordinances limiting or regulating the transportation of property or the use of vehicles or facilities. Without limiting the foregoing, Carrier is not required to accept for transportation any lading that exceeds 45,000 pounds or which occupies the full visible capacity of the trailer provided.

**Item 560: WARRANTIES**

CARRIER MAKES NO WARRANTIES, IMPLIED OR OTHER, FOR ANY TRANSPORTATION AND/OR RELATED SERVICES PROVIDED.

**Item 570: NON-WAIVER**

Failure by Carrier to apply or enforce the provisions of its Tariff(s), service guides, standard operating procedures, terms and conditions, or requirements shall not be considered a waiver of its ability to enforce application of such on any past, current or future transportation services provided.

**Item 580: PACKAGING, MARKING AND PAPERWORK**

The "shipper," not Carrier, is responsible for ensuring compliance with all applicable laws and/or governmental authority relating to packing, marking, labeling, commodity identification, certifications, and all paperwork required for the safe and lawful transportation of its tendered cargo.

**Item 600: HAZARDOUS MATERIALS**

WE DO NOT ACCEPT HAZARDOUS MATERIALS FOR TRANSPORT.. SHOULD THIS CHANGE, THE FOLLOWING, PLUS POSSIBLE OTHER TERMS AND CONDITIONS ON A PER TRIP BASIS, WILL BE FOLLOWED.

: The bill of lading and shipping order must be clearly marked noting any hazardous materials included in the shipment being tendered to Carrier. Customer must provide the carrier with the proper shipping names, hazardous class and the proper "UN" classification. Carrier and Customer shall operate in conformity with all applicable regulations contained in Title 49, CFR, Parts 100 to 180 insofar as they pertain to the preparation and transportation of Hazardous Materials. Customer will be responsible for the proper packaging, marking, and related paperwork, including Material Data Sheets, and all certifications as required by the DOT relating to all hazardous shipments. Customer will also be responsible for payment of all federal, state, city or county taxes incurred and all fines assessed in the occurrence of any leakage due to the result of improper packaging or improper loading, and any fees, fines or expenses, including administrative and legal fees incurred by Carrier, as a result of its failure to comply with any of the foregoing and/or those as required of a Customer by law. Further, Customer shall assume all liability incident to, arising from, or as a consequence of its failure to comply with any of the foregoing.

**Item 610: PIER DELIVERIES**

**The customer must advise, at the time of booking a freight move, if they involve any such pick up or deliveries at locations noted herein. Normally, if such notification is provided, the charges for such services will be included in the per trip transportation quote. If by inadvertence, the shipper does not provide such notification, and if the carrier is able to obtain the necessary permits, access, etc, the following will apply.**

Carrier expenses incurred for pickup or delivery service on shipments involving piers, docks, pier terminals, transit sheds, or wharves, including the loading and/or unloading charges of the longshoremen, stevedores, public loaders, gate passes and all other applicable charges, the charge will be actual costs, plus 30%, subject to a \$100 minimum. Detention will be applied normally.

**Item 620: RECONSIGNMENT OR DIVERSION**

Shipments may be diverted or reconsigned upon instructions from Customer, and Carrier's applicable prevailing Tariff mileage rates from point of original destination to reconsignment destination will be applied and added to the original shipment mileage charges.

**Item 630: REDELIVERY**

When a shipment is consigned to businesses, warehouses and other generally recognized receiving locations, and the Carrier vehicle is capable of making delivery and through no fault of Carrier such delivery cannot be accomplished, applicable detention charges will be assessed, with credit for any applicable free-time given, until delivery is made, subject to a maximum of ten (10) hours detention per calendar day, regardless of whether or not Carrier's vehicle remains on the consignee premises or departs from said premises while waiting (a) to deliver on the consignee's next regularly scheduled business day or (b) to deliver at a re-designated time as instructed by a consignee representative. If redelivery is to a location other than original consignee location, detention charges will accrue as provided for herein until carrier receives instruction to deliver to a new consignee location. An additional charge based upon mileage and vehicle furnished will also be assessed for all miles from the original consignee location to the newly designated consignee location, provided however, that if redelivery is to a location within the confines of the same plant, compound or facility grounds, no additional mileage charges shall apply but in lieu thereof a stop-off charge of \$ 90 shall be assessed.

**Item 640: RETURN, REJECTED AND DAMAGED SHIPMENTS**

On shipments or portions thereof which are returned (refused), rejected or damaged, Carrier will return such shipments or portions thereof upon request of the shipper or owner back to the original point of origin and charges will be assessed at the mileage rates shown in carriers applicable tariffs (in effect on the date of the return shipment) with mileage calculated from delivery point to point of original pickup. Return charges will be in addition to all charges applicable for the original shipment prior to the requested return.

**Item 650: SPECIALIZED SERVICES AND/OR EQUIPMENT**

Carrier will not be responsible to provide special and/or extra equipment or perform accessorial services if not specifically requested to do so prior to the tender of the shipment at the time the request for a rate quote is requested. If prior arrangements for specialized services and/or equipment are not made with the carrier, carrier reserves the right to refuse such shipment.

**Item 660: STOP-OFF IN TRANSIT: LOADING / UNLOADING**

**THE CUSTOMER (SHIPPER) MUST ADVISE, AT THE TIME A RATE QUOTATION IS REQUESTED, IF ANY STOP OFFS ARE REQUIRED FOR A PARTICULAR TRIP. THE QUOTATION PROVIDED WILL INCLUDE THE COST OF SUCH STOP OFFS.**

Should an unexpected need for a stop off arises after the quotation, the additional charge shall be \$1.50 per minute for each minute consumed by the Carrier in performing this unexpected movement..

- a) The initial pickup stop and the final delivery stop are not subject to stop-off charges. For all other stops for partial loading or unloading, the charge shall be AS PROVIDED BY THE CARRIER AT THE TIME OF QUOTATION.

**Item 670: STORAGE RIGHTS**

On refused, rejected or other shipments where Carrier is unable to deliver a shipment or part of a shipment to its intended final destination, Carrier's liability as a warehouseman shall begin immediately upon refusal or rejection and Carrier shall be entitled to recover any and all costs in any way associated with the storage of any cargo. At its sole option, Carrier may deposit the cargo in a public warehouse or storage facility under the consignee's, and/or shipper's name so that storage fees do not accrue against Carrier.

Carrier liability for loss or damage to cargo is eliminated once cargo is deposited.

**Item 700: SHIPPER BILL OF LADING / AIRWAY BILLS / PAPERWORK**

Bills of Lading and/or paperwork provided by a shipper, broker, forwarder, other carrier, intermediary, or other documents not issued by Carrier, shall act solely as "receipts" for the transfer of custody of cargo only. All terms and conditions of transport shall be pursuant to Carrier's Bill of Lading and applicable tariffs in effect when service is provided.

**Item 710: SUBCONTRACTING RIGHTS**

When necessary to honor service commitments, Carrier may, at its sole discretion, utilize the services of other carrier's or modes of transportation. Carrier's liability to its customer will not change unless agreed upon in writing by Carrier and Customer.

**Item 720: VEHICLE USED TO TRANSPORT CUSTOMER TRAILER**

All such moves are considered to be round-trip moves, even if the Customer trailer is only transported one-way. As Carrier is requested or required to provide power to transport a Customer trailer, charges will be agreed to at the time of the quotation. The Carrier reserves the right to decline such movements..
